And Now Most Importantly

FIRSTLY, A FEW RULES FOR YOU TO ADHERE TO - AND SOME HINTS! THE DO'S AND DONT'S OF SPECTATING AT A RALLY

1. DO NOT light fires or smoke in the forest. DO NOT smoke near a car which is being refueled or serviced.
2. DO NOT obstruct access to spectator areas or service areas - park your car sensibly, where appropriate follow the instructions of supervising officials.
3. DO NOT take dogs or small children to spectator points unless dogs are on a leash and children under STRICT adult supervision.
4. DO choose vantage points carefully, try to stay within the tree belt or on high ground REMEMBER YOU ARE AT SPECTATOR POINTS AT YOUR OWN RISK!!!
5. DO KEEP CLEAR of natural escape routes for drivers. eg. tracks of the end of sharp corners. High ground is a safe place to stand.
6. DO KEEP CLEAR of the officials operating the CONTROL POINTS.
7. DO TAKE ALL YOUR LITTER OUT OF THE FOREST WITH YOU...Cans, bottles and papers do not enhance the natural beauty of the area. Children are the worst offenders!!
8. DON'T DRINK TOO MUCH AND DRIVE 'CAUSE THEN YOU'RE A BLOODY IDIOT!!
9. DO take some food and drink into the forest with you. Please don't litter ... Take home what you brought.
10. DO park as directed at Spectator Points or as per the suggested maps. Keep your windows wound up to prevent dust entry and park your car in the direction of EXIT. If you encounter dusty roads, then turn your headlights ON (low beam only) so that others will clearly see you coming towards them. Don't tailgate on dusty roads!

SPECTATOR INSTRUCTIONS
(Please Read)

1. Spectators are directed to view the cars whilst standing within the markers indicating the limits of the controlled spectator area - spectating outside those areas indicated is prohibited.
2. Spectators must not stand in prohibited areas, and must at all times stand behind the bunting which marks the spectator area.
3. The instructions of the Spectator Marshals must be obeyed. The Spectator Marshall has the power to postpone a stage until the spectator point is controlled to his satisfaction.
4. It is prohibited to ignore the spectator instructions and find your own way around. Not only is there a danger of meeting up with an oncoming rally vehicle, but many roads have wash-aways, collapsed bridges, etc. which are potentially hazardous for the driver. The main spectator route has been surveyed and is safe.
